I am applying for “Scholarship for Undergraduate International Course Program of Civil Engineering”.

*Those who wish to apply for the scholarship must check the square at the time of submission of the application documents.

*Those who do not have college student status of residence at the time of admission are not eligible to apply or this scholarship.

*Please note that it is basically a merit-based scholarship to be renewed every year, depending on the recipient's academic performance. Successful applicants will be notified individually; the scholarship amount for the first year will be announced to each successful applicant prior to admission.
