

Special lectures and seminars for constructions
in Southeast Asia by International Course Program of Civil Engineering
-Faculty Development Lectures in January 2015-

16:20-19:00 January 20 at Yoshida Campus Kyotsu 3 lecture room		
16:20-16:25	Opening remarks by Professor Kunitomo Sugiura	
	Lecturer	Topic(s)
16:25-16:55	1. Dr. Pitcha, Jongvivatsakul (Chulalongkorn University)	Undergraduate Course and Program in Chulalongkorn University
16:55-17:25	2. Dr. Tirawat, Boonyatee (Chulalongkorn University)	Construction of cast-in-place piles in Bangkok
17:25-17:55	3. Dr. Wanchai, Teparaksa (Chulalongkorn University)	Basement of Construction in Bangkok Soft Clay
17:55-18:10	4. Dr. Pitcha, Dr. Tirawat and Dr. Wanchai (Chulalongkorn University)	Q & A session in regards to the Civil Engineering internship for undergraduate students and construction projects in Thailand
18:10-18:40	5. Dr. Chung, Yu-Lin (National Cheng Kung University)	Study abroad in Taiwan-Introduction of the International Education Program of National Cheng Kung University
18:40-19:00	6. Dr. Tu, Yi-Hsuan, Dr. Yao, George C. and Dr. Chug, Yu-Lin (National Cheng Kung University)	Q & A session in regards to the Civil Engineering internship for undergraduate students and construction projects in Taiwan
14:00-16:30, January 21 at Katsura Campus C1-312 conference room		
14:00-14:05	Opening remarks by Professor Kim Chul-Woo	
14:05-14:25	1. Dr. Tu, Yi-Hsuan (National Cheng Kung University)	Seismic behavior of confined masonry panels with openings
14:25-14:45	2. Dr. Yao, George C. (National Cheng Kung University)	A Study on seismic vulnerability evaluation of an OHS facility
14:45-15:10	3. Dr. Tu, Yi-Hsuan, Dr. Yao, George C. and Dr. Chug, Yu-Lin (National Cheng Kung University)	Q & A session in regards to the Civil Engineering internship for graduate students and construction projects in Taiwan
15:10-15:30	4. Dr. Pitcha, Jongvivatsakul (Chulalongkorn University)	Courses and international exchange programs in Chulalongkorn University
15:30-15:50	5. Dr. Tirawat, Boonyatee (Chulalongkorn University)	Effects of boring slurry on bearing capacity of cast-in-place piles
15:50-16:10	6. Dr. Wanchai, Teparaksa (Chulalongkorn University)	Deep excavation work in Bangkok
16:10-16:30	7. Dr. Pitcha, Dr. Tirawat and Dr. Wanchai (Chulalongkorn University)	Q & A session in regards to the Civil Engineering internship for graduate students and construction projects in Thailand
